

UPDATES ON THE FISAYO OGUNDORO WAEC SCHOLARSHIP SCHEME 2021

After prior visitations to the two identified schools (Ajibode Grammar School and Ajibode Community High School) and having different meetings with their Principals, Teachers and Parents, we eventually went to administer the test on February 23, 2021 at the two schools. The test took place at provided exam hall in each school. Test included English and Mathematics and the questions were set in line with WAEC syllabus. Find attached on Trello copies of the test.

ATTENDANCE

Contrary to the statistics we got earlier that that Ajibode Grammar School has 73 SS3 Students AND Community High School, Ajibode, UI Extension has 50 Students, we eventually had 48 students from Community High School, Ajibode and we have 57 students from Ajibode Grammar School.

Below is the analysis on each student based on the bio data form they filled at the test day and their performance in the test.
